

After almost 18 years of delighting in being a very happy member of a wonderful Ski Lodge in the centre of Thredbo Village, due to my personal circumstances, I am now selling my Share of the Membership.

**Thredbo Ski Resort has a world class reputation for:**

- The best groomed and longest downhill ski pistes in Australia.
- Some of the most beautiful cross - country skiing regions, world - wide.
- Some of the most fabulous scenic, mountain biking and walking trails in the world.
- A renowned cafe - culture; exceptionally friendly, apres – ski life, and "full of fun - quite famous", socialising culture.
- High quality visiting musicians during each season.
- Greatly enjoyable annual festivals of music, art, food, wine and theatre.
- All year round sporting activities, with a world - class Gym and Olympic pool.
- Trout and fly - fishing activities during the fishing seasons.
- A regular short film festival.
- Historical Society Museum and annual educational events to enjoy.
- A magical and charming, European - style, mountain village, filled with designer clothing stores and international gourmet restaurants, along with lower - cost cafes and deliciously hearty pub food at the hotel close by.
- Adorable, well - known local European characters, who help create an atmosphere of the ski fields of the charming European Alps.
- Warmly welcoming lodge members and fabulously supportive, dedicated committee members, who always have the interests of the lodge members at heart and do a superb job each year.
- Once you purchase my share, as a member, you become eligible to stay at this excellently located Ski Club - Lodge for an incredibly low fee of \$55 per night, during peak ski season for 2018, along with 10% and 20% discounts for the shoulder seasons and off - peak seasons.
- Any of your guests can also receive amazingly good value discounts, compared to the much higher - priced, commercial lodge nightly rates.
- The member and guest rates are traditionally kept very low at this private lodge, to merely support the ongoing maintenance and general expenses of the lodge, in-keeping with it being a not - for – profit enterprise.
- If you previously stayed in the expensive commercial lodges of Thredbo, within a very short time, you will have paid off the cost of this membership, as I did, within a mere few years.
- It is a "no - brainer" for enjoying the delights of a wonderful mountain lodge, at a very low cost for many years to come!
- This lodge was purpose - built to make the most of the stunning views of the Thredbo high mountains, that can be enjoyed from the lounge room, dining room, kitchen and most bedrooms.

- I have been informed that this Ski Club - Lodge has had a consistent reputation of being the "best managed private lodge in the Snowy Mountains".
