

## **Booking Priority for the 2020 Winter Pre Booking Round.**

The Hi Noon Ski Club Committee has agreed to the following booking rules and priority lists for the 2020 winter pre booking round. This priority order has been determined based on experiences encountered from the 2019 winter pre booking round and feedback received from the membership.

The Committee has agreed that:

- only bookings of 2 days (weekends), 5 days (midweek) and 7 days (combined weekend and midweek) will be accepted during the winter pre booking round;
- only one weekend can be booked as a connection to a 5 day (midweek);
- a total of 20 bed nights per member applies;
- a three member panel will assess any over-subscribed weekends against the agreed booking priority order set out below;
- where booking requests at a priority level are in excess of beds remaining available, allocation of those beds will be determined by ballot;
- notifications of the outcome of the winter pre booking round will be made within 14 days of the closing of the pre booking round; and
- a separate booking priority order also set out below will apply during school holiday periods.
